DAVID NUNAN TESOL INSTITUTE

MESSAGE FROM DR. DAVID NUNAN, DAVID NUNAN TESOL INSTITUTE DIRECTOR

“Welcome to Anaheim University’s Online Teaching English to Young Learners Certificate Program. Despite the fact that you are studying in very different contexts and situations in many different parts of the world, we aim to give you the same quality of care, concern and support as we would if you were studying in conventional face-to-face mode. I have been involved in directing post-graduate and certificate programs in applied linguistics and language education in many different parts of the world for over three decades. However, I have never been involved in better quality programs than these.

The aim of the Teaching English to Young Learners (TEYL) course is to provide you with knowledge and skills for teaching English as a second or foreign language to young learners. Each week of your course, you are provided a statement of specific learning outcomes, references and further reading. Through the online discussion forum, you will carry out daily interactive discussions with your instructor and fellow students around the world, focusing on a key aspect of TEYL, including: who is the “young learner”, first and second language acquisition, methods and approaches in language teaching, teaching listening, teaching speaking, teaching reading, teaching writing, teaching vocabulary, teaching grammar, teaching pronunciation, learning styles and strategies, motivation, reticence and anxiety, working with parents, resources and technology support for language learning, classroom management, and assessment and evaluation.

I trust that you find the program as rewarding to complete as I found it to create.”

- Past President of TESOL (1999-2000), the world’s largest language teaching organization

Acceptance of the Certificate in Teaching English to Young Learners you earn in the Anaheim University David Nunan TESOL Institute is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Anaheim University to determine if your certificate will transfer.

ACCEPTANCE OF CREDITS EARNED AT OTHER INSTITUTIONS

Anaheim University does not accept any transfer credits for the TEYL Certificate program.

EXPERIENTIAL CREDIT

Anaheim University will not extend credit for prior experiential learning to any student.

ATTENDANCE

Anaheim University students participate in a weekly discussion forum in which they must contribute regular substantive posts to the discussion questions. In addition to the assigned course assessments, students are graded on participation in the discussion forum and online classes. A student is considered to have dropped a course if s/he fails to attend classes for a three-week period or fails to submit three consecutive lessons.

CONTINUOUS ENROLLMENT

All degree, diploma, and certificate students are required to keep active status from the date of commencement of their first course through the final course in their program by being enrolled and meeting all academic requirements, and financial obligations. Students are required to enroll in a course every time a course that is

needed for their program completion is offered. Students completing theses, research portfolios, final capstone projects, or dissertations must remain enrolled each term until their program requirements have been completed in their entirety and they have received final written approval on the completion of their thesis, research portfolio, final capstone project, or dissertation. Any student who discontinues their studies with the University when a course that is needed for their program completion is offered will be dismissed from their program. Students who are dismissed from their program may have the opportunity to re-enroll (See Re-enrollment policy below). The University provides two exceptions to the requirement for continuous enrollment. Specifically, this policy does not apply to (1) students who are on active military duty, or (2) students who are on an approved Medical Leave of Absence.

Students on active military duty who have to temporarily suspend their studies due to service requirements will not incur any financial penalties during their leave or upon their return. Students who are deployed during their program will need to provide Student Services with a confirmation of their deployment and their planned return date. If students need to take a short-term leave due to service requirements during a course, they should contact their course professor and Student Services for appropriate accommodations.

RE-ENROLLMENT

Former students who withdrew, or who were dismissed from a program due to failure to maintain Continuous Enrollment, and wish to resume their studies must re-apply for admission to the program. Prior enrollment does not guarantee acceptance to any program and re-enrollment will require approval from the Provost, the Registrar's Office, and the Business Affairs Division. Students re-enrolling must go through the entire application and enrollment process again and may be subject to new entrance, financial, and academic requirements as well as a review of their progress to date. Enrollment limitations as well as new policies and procedures could result in the student not being accepted, or affect the length and cost of the program.

FINAL GRADES

Final Grades are submitted two weeks after the final day of the course. Students are notified of their final grades by email once the grades have been submitted. Students who have been approved for an extension will be notified of their final grades once all terms of the extension have been met.

FINANCIAL AID

STUDENT TUITION RECOVERY FUND

It is a state requirement that a student who pays his or her tuition is required to pay a state-imposed assessment for the Student Tuition Recovery Fund (STRF). The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589. To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

- The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
- You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
- You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
- The institution has been ordered to pay a refund by the Bureau but has failed to do so.

- The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
- You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
- You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

MEDICAL LEAVE OF ABSENCE

The Petition for Medical Leave form must be submitted within 30 days from the start of the course for which the medical leave is being applied. The maximum period of a leave of absence is one (1) term per leave. Students may apply for a maximum of four (4) leaves of absence for medical reasons throughout their degree program, and students in non-degree programs may apply for a maximum of one (1) leave of absence for medical reasons. Each leave of absence equals one (1) term and requires a separate petition which must be approved by the University's administration. Only students in good academic and financial standing will be considered for approval of leave. Medical issues requiring more than four (4) leaves of absence must be approved in writing by the university's administration. Students taking a medical leave of absence during the dissertation, thesis, research portfolio, or capstone project phase, will not have access to advisor/professor resources until they resume their studies. Program structure and requirements for completion are subject to change during the period of medical leave. The [Petition for Special Medical Leave of Absence Form](#) can be downloaded from the University website and requires a licensed physician's signature.

STUDENT CANCELLATION, WITHDRAWAL, AND REFUND RIGHTS

The student has the right to cancel an enrollment agreement in any manner through the first day of the course, or the seventh day after signing the enrollment agreement, whichever is later (the "Cancellation Period"), and obtain a full refund of all monies paid. Students canceling after the seven-day Cancellation Period will receive a refund of all amounts paid, less the non-refundable registration fee of \$100 and the non-refundable application fee of \$75 (for graduate programs) or

\$50 (for undergraduate programs).

The written notice of cancellation may be given by e-mail, fax, or postal service (in which case, the effective date begins when the letter is deposited in the mail properly addressed with postage prepaid). The "Official Notice of Withdrawal" form can be downloaded from the University website.

For the purposes of determining the student's obligation for the time attended, the student will be considered to have withdrawn from the program when any of the following occurs, unless the Dean or Program Director determines a different course of action:

- The student notifies the school of the withdrawal.
- The school terminates the student's enrollment.
- The student fails to attend classes for a three-week period. In this case, the date of withdrawal will be the last date of attendance.
- The student fails to submit three consecutive lessons or fails to submit a completed lesson required for home study or correspondence within 60 days of its due date.
- The student has not responded to communication in any form from the University for four months.

Students who have been withdrawn from their program for any of the above reasons may be required to submit a new application (and all applicable fees) if they wish to continue. Tuition for all courses is refunded based on the number of weeks completed.

For Courses Lasting from 11-15 weeks	Percentage of Tuition Refunded	SAMPLE CALCULATION 15 week course
Week 1 (days 0 - 7)	80% of tuition refunded	Refund: \$880 (80% of \$1,100)
Week 2 (days 8 - 14)	70% of tuition refunded	Refund: \$770 (70% of \$1,100)
Week 3 (days 15 - 21)	60% of tuition refunded	Refund: \$660 (60% of \$1,100)
Week 4 (days 22 - 28)	50% of tuition refunded	Refund: \$550 (50% of \$1,100)
Week 5 (days 29 - 35)	40% of tuition refunded	Refund: \$440 (40% of \$1,100)
Week 6 (days 36 - 42)	30% of tuition refunded	Refund: \$330 (30% of \$1,100)
Week 7 (days 43 - 49)	20% of tuition refunded	Refund: \$220 (20% of \$1,100)
Week 8 (days 50 - 56)	10% of tuition refunded	Refund: \$110 (10% of \$1,100)
Week 9 (days 57 - 63)	0% of tuition refunded	Refund: \$ 0 (0% of \$1,100)

If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and if the student receives federal student financial aid funds, the student is entitled to a refund of the moneys not paid from the federal financial aid funds. All monies due the student will be refunded within 30 days of the notice of cancellation.

If the student has been approved for a monthly payment plan, Anaheim University will calculate the total amount of tuition and fees owed to the University based on the number of weeks completed, and compare this amount with the total amount the student has paid up to the date of their withdrawal. Any amount paid over the total amount of tuition and fees will be refunded to the student. If there is a balance due, the student will be responsible for the remaining amount.
