Footnotes: ¹ Student Tuition Recovery Fund (STRF): The Student Tuition Recovery Fund (STRF) is administered by the California BPPE and applies only to California residents. The STRF fee is currently zero dollars (\$0.00) per one thousand dollars (\$1,000) of institutional charges. The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. ² If an applicant requests that a course, or courses, taken at another university be reviewed for transfer credit, the applicant is charged \$75 for each course reviewed. For each course approved for transfer credit, the cost of the applicant's program will be reduced by the cost of the course that does not have to be taken and the number of courses the applicant will be required to take to complete degree requirements will be reduced by one. Textbook costs will be reduced by the cost of the textbook that would have been used in the AU course.

Program Cost and Additional Enrollment: The estimated total program cost shown above assumes successful completion of all required courses on the first attempt and completion of all program requirements within the standard program schedule. Students who repeat a credit-bearing course will be required to pay additional tuition. Students who require enrollment beyond the standard program schedule to complete a thesis, dissertation, or other final academic requirement will be required to pay an Extension Fee and records fee for each additional term of enrollment. The Extension Fee applies when the student must remain enrolled to continue work toward completion but does not earn additional academic credits during the additional term. The Extension Fee is separate from tuition and is charged for the additional period of enrollment and continued academic supervision, advising, administrative support, and access to University resources necessary to complete the program. The Extension Fee for each additional term is equal to the amount of tuition that would otherwise have been charged for a standard term under the tuition rate in effect when the student originally entered the program, before application of any Tuition Relief, scholarship, or other discount, unless the University expressly approves a reduced Extension Fee in writing. Any Tuition Relief, scholarship, or other discount reflected in the estimated program cost applies only to the terms included in the standard program schedule and does not apply to repeated courses or additional thesis or dissertation terms. Accordingly, the estimated total program cost may increase if a student repeats a course or requires one or more additional terms beyond the standard program schedule to complete the program.

Affordable Pay-As-You-Learn System: You only need to pay for one course at a time. Payment may be made by credit card (Visa, Mastercard, Discover, or American Express), check or money order, or bank transfer. (Please note that the student is responsible for any transaction fees incurred from the financial institution).

Monthly Payment Plans: Students who choose to pay for their programs with an approved monthly payment plan arrangement must complete and sign Attachment D of the Enrollment Agreement. All monthly payment plans are offered in compliance with the requirements of the Federal Truth in Lending Act pursuant to Title 15 of the United States Code.

YOU ARE RESPONSIBLE FOR THE AMOUNTS SPECIFIED IN SECTION 13. FOR THE PROGRAM IN WHICH YOU ENROLL

"If you obtain a loan to pay for your educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund."

"If you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against you, including applying any income tax refund to which you are entitled to reduce the balance owed on the loan.
- (2) You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid."

For those students who signed a promissory note in order to finance the cost of the educational program:
"NOTICE" "YOU MAY ASSERT AGAINST THE HOLDER OF THE PROMISSORY NOTE YOU SIGNED IN ORDER TO FINANCE THE COST OF THE EDUCATIONAL PROGRAM ALL OF THE CLAIMS AND DEFENSES THAT YOU COULD ASSERT AGAINST THIS INSTITUTION, UP TO THE AMOUNT YOU HAVE ALREADY PAID UNDER THE PROMISSORY NOTE.

Attachment B to Student Enrollment Agreement: Program Cancellation, Withdrawal, and Refund Rights

STUDENT'S RIGHT TO CANCEL Students have the right to cancel their enrollment agreement and receive a full refund of all monies paid, less the non-refundable registration fee and the non-refundable application fee, if notice of cancellation is made within seven (7) days of the first day of class.

The written notice of cancellation may be given by e-mail, fax, or postal service (in which case, the effective date begins when the letter is deposited in the mail properly addressed with postage prepaid). The "Official Notice of Withdrawal" form can be downloaded from the University website. For the purposes of determining the student's obligation for the time attended, the student will be considered to have withdrawn from the program when any of the following occurs, unless the Dean or Program Director determines a different course of action:

- The student notifies Student Services, an administrative staff or faculty member of the withdrawal.
- The school terminates the student's enrollment.
- The student fails to attend classes for a three-week period. In this case, the date of withdrawal will be the date of attendance.
- The student fails to submit three consecutive lessons or fails to submit a completed lesson required for home study or correspondence within 60 days of its due date.
- The student has not responded to communication in any form from the University for four months.

All refunds due under this section will be made within thirty (30) days of receipt of the notice of cancellation. Students who have been withdrawn from their program for any of the above reasons may be required to submit a new application (and all applicable fees) if they wish to continue. Tuition for all courses is refunded based on the number of weeks completed.

Pro Rata Refund Calculation

(c) Students who withdraw after the Cancellation Period and who have completed 60 percent or less of the period of attendance for which they were charged are entitled to a pro rata refund of all non-federal student financial aid program monies paid for institutional charges. Refunds will be calculated using the following formula:

$$\text{Refund Amount} = \text{Total Amount Paid} - [(\text{Total Institutional Charges} \div \text{Total Number of Days in the Enrollment Period}) \times \text{Number of Days Attended (or Scheduled to Attend) Prior to Withdrawal}]$$

This calculation determines the portion of institutional charges owed by the student. Any amount paid beyond that obligation will be refunded to the student. If the amount paid is less than the amount owed, the student will be responsible for the balance due. No refund is due once the student has completed more than 60 percent of the enrollment period. All refunds will be issued within 30 days of the student's official withdrawal date.

Sample Refund Calculation

Example Scenario:

- Total institutional charge (tuition + applicable fees, excluding non-refundable fees): \$1,700
- Non-refundable fees: \$75 application fee + \$100 registration fee = \$175 total non-refundable
- Total course length: 6 weeks (42 days)
- Daily Charge = \$1,700 / 42 = \$40.48
- Student withdraws on Day 8 of the course
- Amount owed = Daily Charge x Number of days enrolled = \$40.48 x 8 = \$323.84
- Amount of refund = \$1,700 - \$323.84 = \$1,376.16

If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and if the student receives federal student financial aid funds, the student is entitled to a refund of the monies not paid from the federal financial aid funds. All monies due the student will be refunded within 30 days of the notice of cancellation.

If the student has been approved for a monthly payment plan, Anaheim University will calculate the total amount of tuition and fees owed to the University based on the number of courses taken and compare this amount with the total amount the student has paid up to the date of their withdrawal. Any amount paid over the total amount of tuition and fees will be refunded to the student. If there is a balance due, the student will be responsible for the

remaining amount.

Any questions a student may have regarding this enrollment agreement that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education (BPPE), 1747 N.
